### Description:

Wickford Ave ROW is currently a paper street that serves as access for 1261 North Main Road. There does not appear to be existing access to the shoreline from the forested ROW. Access to the shore is from private property that is gated and marked with "No Trespassing" signs. At the end of the driveway there is a shed and steps leading to the water.

### Recommendation from 1999 Report:

At the time of this report, it is unclear that this is accessible without trespassing on private property. A priority rating is withheld until this issue is resolved.
