Please Note:

Permit Holders are responsible for complying with Harbor Management Ordinance.

Section 78-26: (k) Mooring specifications.

(1) Responsibility for moorings. Although the town sets the following minimum standards for moorings and mooring inspections for all moorings in the waters of the town, owners of moorings shall be solely responsible for the safety and reliability of their moorings. Heavier tackle and more frequent inspections than the required minimum are strongly recommended in all cases. This is especially so where moorings are in exposed locations or are holding vessels of greater than average displacement.

Section 78-31: Liability.

Persons using the waters of the town shall assume all risk of personal injury and damage or loss to their property. The town assumes no risk on account of accident, fire, theft, vandalism or acts of God.
