Dear Residents, Businesses, and Community Partners:

I hope you are staying safe and feeling healthy. Over the next few days, we will see very high temperatures and humidity. Please take precautions such as finding air conditioning, seeking shade, avoiding strenuous activities, and drinking plenty of fluids.

As a reminder, please wear a face covering while in common areas or crowds such as the market, beach facilities, or a restaurant. Even in the heat, masks are critical to stopping the spread of the virus until there is a vaccine or proven cure. Please be patient with our small business owners as they navigate this difficult period.

Please always remember to keep our first responders and healthcare workers in mind. Every time you put your own health at risk, you are putting their health at risk, as well.

Over the next month, the State will be providing \$100 million in emergency financial support for Rhode Island's small businesses that have been impacted by the COVID-19 pandemic. The grants will support small businesses for reopening, adaptation, technical support services, and fixed costs incurred due to the COVID-19 pandemic. Applications will be available on <https://commerceri.com/> and will be accepted on a rolling basis beginning later this month.

Overview of Phase 3 of Rhode Island's re-opening:
