How do I compare Medigap policies?

The chart below shows basic information about the different benefits that Medigap policies cover for 2020. If a percentage appears, the Medigap plan covers that percentage of the benefit, and you're responsible for the rest.

- * Plan F also offers a high-deductible plan in some states. With this option, you must pay for Medicare-covered costs (coinsurance, copayments, and deductibles) up to the deductible amount of \$2,340 in 2020 before your policy pays anything. (Plans C and F won't be available to people who are newly eligible for Medicare on or after January 1, 2020. See previous page for more information.)
- ** For Plans K and L. after you meet your out-of-pocket yearly limit and your yearly Part B deductible (\$198 in 2020), the Medigap plan pays 100% of covered services for the rest of the calendar year.
- *** Plan N pays 100% of the Part B coinsurance, except for a copayment of up to \$20 for some office visits and up to a \$50 copayment for emergency room visits that don't result in an inpatient admission.
